Basic Bow, Money Rose, and Fairy by LiSa Kaneshiro of Flora-Dec Sales Inc.

May Masaki and Coryn Tanaka are a mother and daughter team. They design and create ribbon-leis, offering classes at community centers. They own and operate U & Me Crafts, Inc. They hold many international copyrights on their ceramic pieces, which have been sold around the world.

I purchased two books to make leis for my daughter’s high school graduation. She loved them as did her best friend who I made two leis for as well! Some instructions were a bit too intense for me but the leis that I wanted were relatively easy.

Great!

FANTACTICLY FAST PALTINUM SERVICE!!!! ENTIRELY IMPRESSED!!! WILL CONTINUE TO CHECK THEM OUT!

I was looking for something *different* to give as graduation gifts. On a recent trip to Hawaii, I noticed a lot of leis being made and thought they were just beautiful. I came across his book and purchased it.

Love it thank you

Was happy, but this is not what I thought it was.

I was happy to find this book and the condition of the book was excellent, much better than I expected.

I love Lei making. The mediums they show and use in the book, allows you to make leis all year round!
