Before going through this book I had no idea that Mendelssohn wrote such wonderful music. Playing these pieces is giving me many hours of pure pleasure!

The book's condition just as it described, it looks very nice and clean, and I am very happy with it.

Includes all of the Songs without Words. Also includes other pieces, such as his Etudes, some of his Preludes and Fugues, and 2 of his Sonatas- B flat and g minor. I love the G Minor Sonata. Does not include any Variations. There is one other piano sonata, but it is not included in this volume. It is in the first volume.
