Customer Reviews

Very mediocre. The printing is poor, most of the pictures' lines are a bit blurry. The aspect ratio is really off on some of the pictures. One of the pictures says "Happy Hallowee", the n was cut off. It's not the worst coloring book I've seen, but there are so many much better ones out there.

The pages are not printed at the correct scale for the page size. Images are cut off on some pages as well as stretched or blurry. Some images are even repeated. And the English of the author is broken and poor. Printed in the back of the book is a very poorly written thank you for your purchase followed by a basic demand for a 5 star review. We will not buy from this author again .

For under $5 this book is okay. It has some nice pages with beautiful pictures but then their are other pages that are very poor quality. It has about 22 actual pages and makes it a decent purchase for under $5, but I definitely wouldn't spend more on it. I'll let you decide by looking at my video of it.

I was super excited for a new coloring book, especially since it was a halloween edition. It arrived in good time but I was slightly disappointed with how "childish" some of the illustrations are, and a lot of the pictures are extremely pixelated. Only two of the images are what I was expecting and hoped for.

Pages are very thin. Adult coloring books are used with marker and/or colored pencils. This paper bleeds through. Needs to be thicker.

This book has some really awesome pictures. I got it as a gift, but just may keep it for myself.... or I will order another....

I took careful time looking for the right Halloween Coloring books. I read other reviews to determine what was good and what wasn't. I really love this one. It's perfect!! It's on very good paper. There are a lot of different Pumpkins too. The only downside, the sheets are not perforated, but I can easily get around that. Great book to have. I'm run a fb page called Addicted to Coloring and I'm using this for a Halloween Contest Drawing. Perfect!!! I think the winner will love this Coloring Book.

Not I pressed with the images, the paper, not a thing about this book I liked! I wish someone would make the perfect Halloween book
