Synopsis

Anthony has two dollars and three quarters and one dime and seven nickels and eighteen pennies. Nicholas has one dollar and two quarters and five dimes and five nickels and thirteen pennies.Alexander has...bus tokens.And even when he’s rich, pretty soon all he has is bus tokens.He was rich. Last Sunday.Grandma Betty and Grandpa Louie came and gave Anthony and Nicholas and Alexander each a dollar. Alexander was saving his. Maybe for a walkie-talkie.And then there was bubble gum, some bets with Anthony and Nicholas (that Alexander lost), a snake rental, a garage sale, and all kinds of other things to spend money on.And now all he has is bus tokens. When he used to be rich last Sunday.

Customer Reviews

fun and exciting

My 7-yr old can’t stop spending his allowance and any change he finds on the counter. He is Alexander. Funny book from my childhood. Never gets old.

Used this book in my senior high economics class. The students were a little hesitant at first but really liked it and enjoyed the lesson. It was a great way to make the points I needed to make in a light hearted manner that was a welcome change for the heavy academics of the class.

This is a classic book and great reading for anyone with young boys. It has stood the test of time as a night time read for my son and now my grandson. Parents will appreciate the humor and children will identify with the situations. All of her books in this series are excellent!

Good book, but the Kindle version displays two pages at once and can’t zoom in, making the text pretty small to read. You can zoom in on the text, just not on the pictures. Make sure you preview a sample before you buy it.

LOVE, LOVE, LOVE this story! GREAT story line, great graphics, and great lessons! My 7 & 8 year olds were both mesmerized and really took away the story line. Great one to read and re-read more and more to remind ourselves what good stewardship really means.

The book was cute and got across the message of saving to my kids, but the two-pages-per-screen was annoying! The pictures were so small, even with the laptop instead of my ipad, that the kids became frustrated. I didn’t like the feature that let you hover over lines of text to enlarge them because it was not user friendly - a little buggy on both the ipad and the laptop. If I need this book again I will borrow it from the library.

Cute story. The book is well made and was in excellent condition for used. My great grandkids will love it. Hopefully they will also learn to spend money better.
