Customer Reviews

When you’re an intermediate student in a language, learning resources become not only tough to find. They tend to be ..... boring!But this collection, which I was delighted to grab for my Kindle, has all the great features of other story collections by Olly that I’ve enjoyed in both Spanish and German. The stories use colloquial language so that you’re getting exposure to the way people speak in situations that they actually live.Highly recommended. I have the print copy of his German short story book, so imagine this one looks just as cool as a paperback.
