Synopsis

The Bill of Rights is the first 10 Amendments of the Constitution of the United States of America.You hear it quoted... and misquoted every day. It’s the misquoting that’s the problem.This edition of the Bill of Rights has been carefully formatted and optimized for the Kindle; it is easy to read and, with the Kindle’s "read to me" feature, easy to listen and understand.Set it up to read to you when you are doing something else. You will learn painlessly and without much effort... and soon be understanding concepts that were just words before.This is the exact wording of the American Bill of Rights, without modern-day explanations and interpretations.They can’t snow you when you know what the Bill of Rights REALLY says about freedom of religion, freedom of speech, freedom of the press, right to keep and bear arms, protection against unreasonable search and seizure, protection against double jeopardy, protection against self-incrimination, excessive bail, and cruel and unusual punishment.This Kindle edition was prepared by CJ’s Easy As Pie Kindle Tutorials, using MS Word, and uploaded directly to the DTP.It was created, not only to provide an inexpensive, and easy-to-read version of the Bill of Rights, but also to serve as an example of how easy it is to create and publish Kindle books using MS Word.Cover photo:This photo was chosen for this Kindle edition of the Bill of Rights, because it illustrates so well the same qualities... love of freedom, love of country, and American ingenuity... that must have inspired those who worked so hard to get the Bill of Rights and the United States Constitution, ratified for the benefit of those who followed.Astronaut David Scott stands near the American flag on the surface of the moon as he salutes the USA for this remarkable achievement.This photo was taken by Astronaut James B. Irwin during the Apollo 15 mission, and is in the public domain

Book Information

File Size: 154 KB

Customer Reviews

This book contains a basic copy of the Bill of Rights - but contrary to the title there are NO annotations. I was looking for a guide to explain this historic document in greater detail. All I got was a "bare bones" copy of the Bill of Rights.

Download to continue reading...
