Customer Reviews

Every single recipe in this book is a hit. Every single one. I’m not great in the kitchen but these recipes are making me seem like a culinary star to my friends and families. Worth the price and I

would recommend for beginners cooking Hawaiian dishes.

Even though Hawaii is part of the United State's there food is different from the mainland and this is good. Hawaii is full of great people and heart food. Thank you and enjoy your meal and enjoy your day.

WOW! These seem so easy.
