Customer Reviews

This the way things go sometimes when you love deeply. No one knows what will happen in the course of love. One thing that is bound to be true is you never forget your first love. If you consider love a passing emotion, you in for a shock! It will be like it will be just like what happens in this story.Great book for all ages.

I loved this book, and will read it again. I am looking forward to obtaining more of Hannah Schrock's books, they are some of the best ever.

Very good read couldn't put it down

It was great

Too short and not that interesting. If you are going to write a book, it should keep the reader interested.

The Heroine had a hard life,but she had two men who loved her. She learn to trust in Gott again and things got better. I always read Hannah School's books or novellas. Her work is professional and a joy to read. She has a teaser at the back of the book that I am going to get next step. All of her books are great. So pick up a couple to start reading her work.

Anna has recently lost her husband to a tragic fire and is carrying his baby. She is stunned and angry to realize her first love has returned after leaving his AmIsh lifestyle.

The story was good but who ever edited this book did not do a very good job. I found many times the wrong name was being used and it became confusing trying to figure out especially in the beginning of the book. Obviously who ever edited this book did not actually read it...
