Synopsis

Ella’s Kitchen: The Easy Family Cook Book is packed with more than 100 mouthwatering recipes from Ella’s Kitchen, the organic baby and toddler food brand. In chapters organized by mealtime, each recipe has been carefully developed to ensure that it’s perfectly balanced and lip-smackingly tasty for little ones and grown-ups alike. Find out which meals are best to adapt for weaning babies, know what to cook for a play- date crowd-pleaser (little friends will go mad for Mamma Mia Meatballs); and see instantly which dinners keep beautifully warm for when mom or dad gets home. Building on the success of the previous three books in the series, this latest addition to the Ella’s Kitchen Cook Book library is an absolute must for busy families with hungry tummies to feed. Including a unique pull-out weekly meal planner, the recipes will bring everyone together to share in life’s foody adventures.
