Amy Parker writes from the heart, creating stories inspired by her walk with God, her two sons Michael and Ethan, and other fascinating characters she has met along the way. As a result, parents and children alike have created bestsellers out of many of her titles, including A Night Night Prayer, Thank You, God, for Mommy, and Thank You, God, for Daddy. Two of her collaborative works--Courageous Teens and Firebird--were also recognized with Christian Retailing's Best

awards. With God as her guide and husband Daniel by her side, Amy hopes to show love to a world in need by sharing the one Love that is big enough for us all.

I received this book for my baby shower, and after reading it nightly to my daughter, I have now gifted one to a new mom. A sweet little book that doesn't get old!

My son loves thus book and it puts him to sleep by the end of the book always

This has become my 2 year old granddaughter's favorite book! I've been reading it to her for a year and she knows most of the words by heart now! I've bought several copies to give to family and friends at baby showers

I REALLY like this book. I have found that many biblical/prayer books are not very engaging for toddler-aged children. For example, the books use an advanced vocabulary. Not this book! A Night Night Prayer is simple- praying thanks while saying "night, night" to each thing. This has become my go- to book for a child's gift!

Very Cute Book!

This book goes through a list of people and things that the child says good night to and then ends with thanking God for watching us for love and saying good night to God. I love how the illustrations are very simple but fun to look at. This words on each page are simple and short, great for reading to a child under 1.

I purchased this book as a tool to help my grandchildren begin to feel comfortable praying. The 2 year old is now reading it along with me more and is understanding this wonderful book is a prayer and not just us reading a nightly book.

Great book for little ones.
