Synopsis

Ã¢â ¬Æ'Do a happy dance for another AMP! Comics for Kids Peanuts collection!Woodstock might be the smallest of all the Peanuts gang, but heÃ¢â ¬â„¢s got a lot to say, even if Snoopy is the only one who understands him. ThatÃ¢â ¬â„¢s because Snoopy is WoodstockÃ¢â ¬â„¢s Ã¢â ¬Å“Friend of Friends,Ã¢â ¬Â• and together they write masterpieces, fly airplanes, find the perfect place to nap, and win over the hearts of readers all over the world. Whether heÃ¢â ¬â„¢s falling in love with a snowflake or crash-landing on the tip of SnoopyÃ¢â ¬â„¢s nose, Woodstock is the little yellow bird with a big personality. It takes more than a strong wind to ruffle WoodstockÃ¢â ¬â„¢s feathers, although itÃ¢â ¬â„¢s a good thing he has Snoopy to keep his little yellow feet on the ground. DonÃ¢â ¬â„¢t miss out on the newest AMP! Peanuts collection featuring Woodstock, the most recognizable yellow bird in the worldÃ¢â ¬â •even in disguise! Charles Schulz's Peanuts is one of the most timeless and beloved comic strips ever. Now AMP! is carrying on that legacy with new collections of Peanuts classics for middle-grade readers. First published in 1950, the classic Peanuts strip now appears in more than 2,200 newspapers in 75 countries in 25 languages. Phrases such as "security blanket" and "good grief," which originated in the Peanuts world, are now part of the global vernacular, and images of Charles Schulz's classic characters--Charlie Brown kicking the football, Lucy leaning over Schroeder's piano--are now universally recognized. Together these books will introduce a new generation of kids to the lovable cast in time for the new animated Peanuts movie, which hits theaters in 2015!

Book Information

Customer Reviews

Charles Schulz is a legend. He was the hand and heart behind 50 years of Peanuts, which featured one of the world’s most beloved and recognizable cast of cartoon characters, until his death in 2000.

Again, I bought this for my husband who loves Snoopy and Woodstock. He thought it was funny when he saw the little Woodstock on the side of each page. If you flip through the book quickly, it looks like he’s flying down the page. Flip the other way and he’s flying back up the page. (Snoopy does this in another book.) My husband has been reading this ever time he has a chance since he got it. I hear him laughing out loud and then I see he’s reading this book again. My husband isn’t the "laughing out loud" type so it felt great to get him something, so simple, but something that he loved. I think he considers Charles Schulz a genius. I’m so happy that I got him this book. This and the Snoopy book might have been his favorite Christmas gifts this year. He’s so hard to buy for - who knew it could be this simple! I’d really recommend this for anyone who is or who is a fan of Snoopy and Woodstock.

Have this on my Kindle and read parts of it off and on. Everyone needs a little something crazyto just lay back and laugh at occasionally! Charles Schulz did the world so much good for so manyyears to come!! Snoopy’s friendship with Woodstock is just precious and hilarious!

If you have ever wanted to see more of Woodstock in the Peanuts comic strips, here is the perfect opportunity. This a great book filled with Woodstock and Snoopy. It really is a great book to learn more about this beloved little yellow bird.

The cover sold me on this book, and the stories inside are adorable and classic Peanuts. I love the "flipbook animation" of Woodstock and the extra material in the back of the book. Great binding and great stories - perfect for any Woodstock fan!

Yay Woodstock! This is a good collection of Peanuts strips centered on Woodstock. It’s nostalgic and uplifting.

If you especially like Snoopy & Woodstock this is a must have book.

My youngest son has a hard time putting his readking kindle down when he reads these ebooks.

A must have for all snoopy and Woodstock fans. The book will lift your spirits. Enjoy
