Synopsis

Only sixteen when she started the series, Ally Adornetto knows how teen hearts beat, and this long-awaited conclusion is certain to be her most popular book yet. Bethany, an angel sent to Earth, and her mortal boyfriend, Xavier, have been to Hell and back. But now their love will be put to its highest test yet, as they defy Heavenly law and marry. They don’t tell Beth’s archangel siblings, Gabriel and Ivy, but the angels know soon enough, and punishment comes in a terrifying form: the Sevens, who are rogue angels bent on keeping Beth and Xavier apart, destroying Gabriel and Ivy, and darkening angelic power in the heavens.The only way Bethany and can elude the Sevens is to hide in the open, and blend in with other mortals their own age. Gabriel and Ivy set them up at college, where they can’t reveal their relationship, and where there is still danger around each corner. Will Bethany be called back to Heaven Ã¢â ¬â œ forever Ã¢â ¬â œ and face leaving the love of her life?

Customer Reviews

Ã¢â ¬Å“For fans of the series.Ã¢â ¬Â• Ã¢â ¬â ¢School Library Journal

ALEXANDRA ADORNETTO's first book, Halo, became a New York TimesÃ¢â ¬â œbestseller a week after it was published and has been translated in over a dozen languages around the world. Its sequel, Hades, published in August 2011, was also a New York TimesÃ¢â ¬â œbestseller. Born in Australia, Ally is now attending college at the University of Mississippi in Oxford, MS.

Since they first met it hadn't been easy for Bethany Church, an angel, and Xavier Woods, a mortal. Despite the warnings from others, Beth and Xavier's love couldn't be denied. Making a brave decision to marry, crossing the line and doing what no others have done, a group of angels, the Seven, were determined to make them pay for their actions.It all started with my daughter wanting to purchase, HALO. I have to admit the cover was intriguing, along with the synopsis. She read and loved it. Next it was my turn. I fell in love with the characters and the storyline. We waited impatiently for the next to come out, HADES, and finally, HEAVEN.If I had to pick my favorite between the three, I guess I'd have to say it's HADES, though the last half of HEAVEN is a close second (You can read my review for HALO and HADES on .). Overall I loved the trilogy. ALEXANDRA ADORNETTO is an amazing writer with a creative mind that produced an amazing storyline with three dimensional characters.The first half of HEAVEN was a tad slow, but once you reach the middle it takes off. The slow pace was tolerable due to the wonderful writing. Having read the first two books in the trilogy, there was no way I wasn't finishing the third one.I loved the surprises and twists HEAVEN took. I hadn't a clue how Xavier and Bethany's story would unfold, but I loved how MS. ADORNETTO played it out. I could never have imagined what the author would do with one of the other characters I love, Gabriel. I'm anticipating with excitement a story about Gabe and Molly.

HOLY HADES AND HEAVEN! This conclusion to the Halo Series had me crying and laughing and screaming more times than I care to admit. What do you do when you love someone so much you are willing to sacrifice it all? Would defy Heaven and Earth to get what you want? What happens to the heart when you know deep down that you were meant for that person? These are the questions I kept asking myself when I was reading about Beth and Xavier.Heaven starts where Hades has ended and Bethany and Xavier are more in love than ever. They will fight Heaven and Earth to be together. They make the ultimate sacrifice and marry. Things only get worse from there because they were not supposed to marry. Bethany and Angel and Xavier a Human are supposed to be friends not have a relationship and marry each other. But love is unpredictable and love knows no boundaries so they decide to become one.Being married though is hard and Bethany and Xavier find that trouble is lurking close and The Sevens are rogue angels hell bent on destroying Bethany

and her family. The Seven want to darken Heaven and infest it with evil. In order for Bethany to save her family she and Xavier will go into hiding and devise a plan. Once the plan is set and in motion they will fight to the death for what they believe in. Will Bethany have to go home to Heaven without Xavier for good? Will Gabriel and Ivy be hurt? What would you do for love? What would you sacrifice? Come along for the greatest ending to an EPIC series!

This was purchased for my daughter, she was looking for this specific title but in hardcover to complete the series and it is exactly what she received. No dings or torn pages, this book was in perfect condition; not only that but she mentioned it being a first edition =)

Though not my favorite angel romance series, I definitely did enjoy it. This book has Bethany and Xander hiding out in the open as brother and sister which, of course, hinders their romance for a while. I was pleased with the happy ending though and thought it was a nice conclusion to the series.

While I enjoyed Heaven, (I enjoyed all the books) i felt that the ending to it was a massive let down. Too much was left unsaid! I really think that this book could have done with an epilogue, to answer all those questions about what happened while Bethany was away, has Gabriel healed, what about him and Molly? What about Xavier? The author brought out a massive bombshell about two thirds of the way into the book and that was it, no more was said about it? I would also love to know what happens in the future, do Gabriel and Ivy go back to Heaven or do they stay with Xavier and Beth, do Xavier and Bethany get a happy ending?! There are so many unanswered questions, so, while I found it an enjoyable read, I was left a bit unsatisfied by the ending...

'Heaven', by Alexandra Adornetto, is the third book in her trilogy 'Halo', and is a fantastic novel filled with action, drama, and as in any good book, romance. It follows the story of Bethany Church, an angel sent to Earth to help restore the balance between good and evil, who has broken one of heaven's most important rules; Bethany has fallen in love with a human. 'Heaven' draws you in as you see the dramas unfold page by page, watching Bethany and Xavier in their struggle to be together. Full of heartrending twists and action filled scenes, we watch as Bethany and Xavier, with the help of their two heavenly guardians Gabriel and Ivy, try to battle the wrath of both heaven and hell. We see their love tested time and time again, and see it grow as they strive for a life together that is not threatened by higher powers. For lovers of paranormal-romance, this book is a must

read.

I honestly love this book and they are one of my favourite series, but i just have a few queries... (Spoiler!)When Molly and Beth and Xavier are out having some coffee, Wade comes in and tries to take Molly to "Bible Study" But he speaks to Beth and Xavier as Beth and Xavier when they were supposed to be Ford and Laurie, brother and sister.. So im not sure if that was a mistake and if it was not, then how did Wade know about them? And I think in the end there could have been a few more chapters with Beth and Xavier because when she returns theres only one?! And Ivy and Gabriel arent even there yet! How is she supposed to talk to them or see if they still accept her? I mean of course they do, but thats besides the point. Otherwise i loved this book and i think their should be a fourth one carrying on with B and X lives.
