Kenneth O. Gangel is scholar in residence at Toccoa Falls College in Toccoa Falls, Georgia, and distinguished professor emeritus of Christian education at Dallas Theological Seminary. He is the author of more than twenty books and has written over eight hundred articles for journals and periodicals.

Practical, biblical leadership and Management book . Prof. Kenneth O. Gangel is indeed an authority on this subject. I sat under his teaching on a ITS, Grand Rapids,Michigan,doctoral course. He is extremely vast in the matter.

good

Read this book years ago in seminary; it was very helpful and brought clarity to many pastoral issues. Teaching in a bible college and choose this as my primary text for a Foundation of Pastoral Ministry course. Students appreciate the comprehensive treatment of pastoral ministry! Great book.

My grandson needed this for college.

Still Reading it for school

Comprehensive guide. Just a little dry.

Good book for people in ministry. It is very practical and helpful.

Excellent Church admin reference
