Customer Reviews

I have searched for a simple and straight-forward guide to getting the most out of Evernote, so I was really glad that I came across this one. The author lays out clear and simple steps that can help make your life more productive. I found a lot of great ideas in this book for helping me organize my daily task and making list. I especially liked the info on Penultimate and can not wait to use this feature of the app. This book was a super helpful resource and will certainly make a difference in my everyday life.

Simplistic ideas with no real how to that was promoted in the snippet. No take home value even at $2.99
