## Synopsis

This expanded and thoroughly revised new edition is designed not only to add hundreds of useful new words to a studentÃ¢â ¬â„¢s permanent working vocabulary but also to teach the most common and useful Greek and Latin word-building roots to help students understand and master additional vocabulary in the future.  Example sentences and brief explanatory comments provide a rich context to bring the words to life, and quizzes are provided to encourage reuse and recall of words and to reinforce memory of them. All of these features combine to make this a valuable tool for students preparing for standardized tests or simply seeking to expand their English vocabulary.

Fun book

This book is a good deal for the price. No, they didn't use high quality paper for the pages- but, you get what you pay for. :) The book is useful and practical. If you're looking for something of high quality, I would keep shopping. But, if you're looking for a functional Vocabulary Builder at a great price- look no further! :)

I haven't finished reading it but I sure have learned lots of fascinating words and concepts. Something I can draw on the rest of my life.

definitely useful to have on your phone while reading.

This book has been helping me since I been in school to assist with expanding my vocabulary skills. This book has helped with proficient vocabulary skills within my writing course. Effective writing with the proficiency of utilizing proper vocabulary has been exciting for me. I would highly recommend this book for anyone who is looking to expand their vocabulary.

It is a very good book. I am very happy ÃƒÂ Ã Å¸Ã ËœÃ Å ÃƒÂ Ã Å¸Ã ËœÃ Å
