Book by John Langan

Use almost every day with my ESL students

The book was great what i needed for class i love the price. Save me a bunch of cash just the only down fall was that the book had way to much writing inside it. 99% of the questions of the book was answer so i had to go threw and use bunch of white out.

Great purchase, fast delivery. It is a educational book, what more can I say. It definitely was cheaper than buying it from the school bookstore.

Great tool

Missing a lot of pages!!!!! Have to return it

Awesome
