Robert M. Drake is an American author known for his bestselling books BEAUTIFUL CHAOS and BLACK BUTTERFLY, among others. So happy I purchased this book! I love reading all his posts on Instagram and thought it would be nice to not only support his work but have a hard copy to read whenever I'd like. I truly enjoyed reading every page! R.M. Drake uses his words in a way that really speaks to his readers. I also like the artwork one each page and it helps showcase the creative work from others.If you already like his work from seeing it on social media forums, definitely get this book. You won't be disappointed!

I stuck with it until the end, but I guess Robert M. Drake just isn't for me. It felt like listening to most

pop songs that propose simple concepts in simple words over and over again. It's funny though, because when I see people post his poems on social media I usually resonate with those short poems, which is why I bought this book. Maybe it's this book, Black Butterfly, in particular, I don't know! Not for me, though.

I've been following R.M Drake on Instagram the past few years. I've always admired his literature; it's honestly relatable. Reading his writing has gotten me through rough times and I always catch myself going to his writing just to read his continuous. I had recently bought this book and I'm IN LOVE. It's an amazing book especially if it's dealt with similar experiences.

I love this book. I love RM Drake. I feel he talks to me on every page. Def recommend for light but deep reading.

My granddaughter (15 yrs) was thrilled with the book, loved the poems!

I liked it and was easy to read

I love this book. It makes you realize a lot of things about your life. I suggest it to anyone.

Fantastic read! I'm in the process of ordering all of R.M. Drake's books because I have enjoyed this one so much. The shipping time was correct on when I was expecting it and the book was in perfect condition. I am overall very pleased with this product.
