ÃƒÂ¢Ã â ¬Ã Å“She Tamed the BeastÃƒÂ¢Ã â ¬Ã Â•Forgotten Book #16 (Brides of the Kindred) Evangeline AndersonAnd she does it again. I freakin could not put this read down. You are so sucked in from the beginning so make sure you start this read when youÃƒÂ¢Ã â ¬Ã â„¢ve got the night to finish it without interruptions seriously.It starts off with Y and Master Two (God I hate this character) having a discussion about grabbing the wrong girl. The target was Emily suspected of being the Khalla and part of a prophecy. The kidnapping was to happen at Emily and TragarÃƒÂ¢Ã â ¬Ã â„¢s joining ceremony. So when Master Two with the aid of a witch (I want to know who she is) taints a bouquet of Dream Blossoms with the sole purpose of when Emily sniffs them her body will be tainted with the fear poison and other savory toxins where she will fear her mate Tragar and she wonÃƒÂ¢Ã â ¬Ã â„¢t know who he is she will have lost all memory of him.Well the little plan back fired and the wrong girl smelled the blossoms. Poor unsuspecting Kate has been mated with Rone a Wulven Kindred for three years and was best friends with Emily. So within a matter of seconds inhaling the toxins Kate didnÃƒÂ¢Ã â ¬Ã â„¢t know who Rone was and Rone was so shocked at what was occurring,Kate backing away from him in fear and then the next thing Kate totally disappears, vanished, kaput she was outta there. Realizing their mistake Master Two opted not to kill Kate but to send her to earth. SheÃƒÂ¢Ã â ¬Ã â„¢d have no memory of the past three years and she wouldnÃƒÂ¢Ã â ¬Ã â„¢t remember what happened to her. So when Kate was sent back to earth she ended up in the middle of a park in Sarasota butt naked with her new friend Mimi standing over her.So now the story gets interesting. Follow the journey with Rone and Kate as they try to get her lost three years back and repair their bond. IÃƒÂ¢Ã â ¬Ã â„¢ll tell you now I felt so sorry for Rone. He was so in love with Kate, so devoted to her and so patient it will break your heart. To be honest there were times I was so damn aggravated with Kate I just wanted to slap her. Okay Okay so she was tampered with, was full of fear toxins and lost the last three years of her life. I get that but she still pissed me off. YouÃƒÂ¢Ã â ¬Ã â„¢ll see why IÃƒÂ¢Ã â ¬Ã â„¢m saying this once you get into the read.Lots of unexpected surprises (at least I

thought so). The freakiest part was when Sylvan sent Rone and Kate to Flame and Frost. I now see what they were trying to do. Towards the end you realize that Kate is still being manipulated by Master Two (Did I mention I really hate him?) Even though the fear toxin was removed from her system she still had not recovered her memory. One of my fave parts was when Master TwoÃƒÂ¢Ã â ¬Ã â„¢s plan was foiled again. SHE TAMED THE BEAST!!!!! Ha.I have to say I so feel sorry for Y. Seriously. I know heÃƒÂ¢Ã â ¬Ã â„¢s a bad guy but is he really? Forgotten has TWO epilogues. TWO OF THEM. 5* Evangeline totally 5*

Let me say that I want a Wulvan Kindred my fave so far, and I so want a breeding chair YUM... Who doesn't want to woken up with that special kiss and put to sleep with it everynight SIGN ME UP FAST. I loved Rone he is awesome, perfect of there is such a thing and I loved the old Kate.. The new Kate was a pain in my ass so kept pissing me offf. Try something new, take a chance, open up..... Ugh she was so pig headed and stupid it was annoying. I love my Kindred by why is Sylvan the only one always popping up, what about Baird? Sylvan is starting to get on my nerves too hes behaving like his mate Sophia and acting dumb as a door knob. Does he not realize what is happening under his watch UGH.....I was happy when Kate got her memory back and what is that everyone who has a bad sexual experience runs from sex like the plague when its with someone you love and supposedly trust.I don't get that one. I am glad for the introduction and deeper understanding of the Wulvan Kindred they are the best as far as I'm concerned more stories about them please if we decide to pick up the Kindred again.

I just finished Forgotten number 16 in my favorite series of all time. Ms Anderson has never disappointed, until now. The book is centered around Kate and her lost 3 years of memory and Roan trying to live through Kate's lost 3 years of memory. The beginning of the book started out and really got your attention. I thought WOW this is going to be great, looks like I'm up for the night, just me, my kindle, Kate and Roan. I was up for the night looking for the story of the Brides of the Kindred to make an appearance. Then finally after reading the entire book what Two is plotting to throw at the Kindred next is finally revealed. While all the sex between Kate and Roan is hot after a while it became predictable. I could have skipped the middle chapters and not lost any of the story line. Here's hoping number 17 is more about Brides of the Kindred.

I don't know where Ms. Anderson gets her characters, or what deep dark part of her comes up with some of the frightening circumstances they get into, but I'm glad she shares this part of herself with

the rest of us. Knowing that there was a close relationship between Kate and Rone before she lost her memory made me feel so sorry for both of them. Kindreds mate for life and to have his mate separated from him for so long had to be the most difficult experience Rone had ever gone through. And with Kate being such a small person, the huge kindred had to be the most intimidating creature she'd ever met.Even though they shared 3 years of life and love together, Ms. Anderson always has a reason for the struggle each of the characters must endure. These two are no different. Despite their present differences, Kate had a mate that is willing to go through anything and wait for as long as it takes for her to find herself again, even if it means they have to start over.It really is a sweet story of love conquering all and a picture of the true meaning of commitment. Of course, what's the point of erotica with the erotic? But, the sex never overrides the story line in this series. That's why I love them so much.The reappearance of Y and Two makes for some real excitement and danger, not that there wasn't enough danger with the beast lurking just below the surface of Rone's psyche. These two are really going to be a dark influence on the the stories yet to come in the Kindred series. I'm looking forward to seeing what Evangeline Anderson has in store for us in Switched!

A pleasant book in the Kindred Bride series. Unfortunately it followed they same formula of the previous several books. I enjoy the books but am only moderately pleased w/ each one. As per the formula the woman was a cry baby and weak through most of the book. As usual, they had to go to some kind of sexual institution. Evangeline, please give us some fresh new stories!
