Customer Reviews

my son loves these comic books.

My 7 year old son LOVES this book. He doesn’t love reading on his own so I was very happy to see that he did love reading this one! He loves Angry Birds and it’s a great comic for his age. I’m very happy with it!

Great seller! Great product! Thank you!!!

Great product and fast shipping.

The Angry Birds are back for more fun in 'Angry Birds Comics, Vol. 2: When Pigs Fly.' It's about as fun as the first one, and definitely good for younger readers who are fans of the game.This time around, there are mysterious green eggs, pigs on stilts, and of course, the titles flying pigs. The birds try out alternate nest materials (like stone or water) with some dismal results. There are weird shells, strange berry juice, and a broken sling shot. The pigs try to steal the eggs, and the birds always manage to stay one step ahead of them.It's cartoony violence like the game is. The pigs are pretty dim, and the birds are pretty silly. It's got a slapstick style found in cartoons, and the colors are bright. Once again, the bottom of the pages seem to have some sort of flip cartoon, but since I'm reviewing a digital copy, I can't make the pages flip fast enough. If you're buying a copy for kids, they might have more fun with a paper version so they can flip the pages and watch the birds fly into the pigs.I received a review copy of this graphic novel from Diamond Book Distributors, IDW Publishing, and NetGalley in exchange for an honest review. Thank you for allowing me to review this fun graphic novel.
