Customer Reviews

Elizabeth George, whose books have sold more than 10 million copies, is the author of A Woman After GodÃ¢â ¬â„¢s Own HeartÃ Â® (more than 1 million copies sold) and Breaking the Worry Habit...Forever! SheÃ¢â ¬â„¢s also a popular speaker at Christian womenÃ¢â ¬â„¢s events. Elizabeth and her husband, Jim, are parents and grandparents, and have been active in ministry for more than 30 years.AwardÃ¢â ¬â œwinning California artist Judy Luenebrink has thrilled hundreds of thousands of readers with her illustrations and delightful art, including her work in Elizabeth GeorgeÃ¢â ¬â„¢s bestselling childrenÃ¢â ¬â„¢s book GodÃ¢â ¬â„¢s Wisdom for Little Girls. Her watercolors capture the hearts of children and parents alike. Judy and her husband, Don, have one son.

As one who loves the Bible studies of Elizabeth George, I purchased this book for my granddaughters, who are bi-racial. The writing was examplary, as I anticipated. The drawings are gorgeous - if the book is a gift to blond, curly-haired little ones. Their were few children of any other race, too few fo give the book to my grandbabies and still honor their heritage. I did give the book to our nieces, and the Lord may have intended it for their use all along - His time will tell. If you are purchasing this book for children who are bi-racial or of another race, it may not be the best book for them due to the drawings, although beautiful. While I would like to give this gorgeous book a perfect rating, my hesitation is only due to the drawings and the very few children included who are not caucasian. God will use this book mightily, I believe - and even moreso with the presence of more children of other races.

I love Elizabeth George's books for children. I was introduced to her books when someone gave me, "God's Wisdom for Little Girls: Virtues and Fun From Proverbs 31". I loved reading this to my little girl. It is full of scripture and encouragement for growing in Godly attributes. This book focuses on the fruits of the spirit. I am looking forward to adding this to my daughters collection this Christmas. I highly recommend this book.

I love the intent of this book and try to read it to my daughters every chance I get. The only reason I give it 4 rather than 5 stars is because this isn't a book my kids pick themselves often. The phrasing is very simple but there are some things that can get confusing for younger kids. I can't remember exactly what it said but the page teaching them to follow through with their promises really lost both my almost 4 year old and my 5.5 year old. They understand the idea but the wording wasn't the best. I think both my kids and I were expecting more of a story, this book isn't a story. It's simple prayers and a cute phrase to go with the attribute.

Highly recommend this book--it is a precious part of any little girl's library and it teaches wonderful, godly, biblical lessons.

Everything as expected.

I'm sure my niece is going to love this book! We have a tradition of me buying her religious books and/or making hand decorated notebooks with bible verses in them...

Sounded like a great book for giving my granddaughter for a gift, so I never actually read the book myself.

This book is timeless, and beautifully illustrated! I purchased this book before my daughter was born 6 mos ago in hopes of giving it to her when she is able to understand it and appreciate it. The book offers, simply, the attributes that we should be teaching our little girls so that they grow into fine young women. This would also make a wonderful baby shower gift for the parent who knows the sex of their baby. (The boy version, by Jim George, is also available and makes a great gift.)
