When you are owed money, use magick to get what belongs to you.Ã Â *The Genius Rituals, with a set of unique sigils to call on intelligent and helpful spirits.Ã Â *A ritual to Attract Money Through Perception, for trading shares, or to find out the best course of action in any money-making situation.Ã Â *The Chance Money Attraction ritual, employing the power of Nitika in harmony with other genius spirits, to bring money out of the blue.Ã Â *The Gambling Ritual, to increase your luck in lotteries and games of chance.Ã Â *A secret technique, never revealed until now, for adding extra energy to your magickal workings.Ã Â Damon Brand says, 'Creating money with magick is one of the most direct and exciting ways to experience the raw power of the occult.'Ã Â If you are completely new to magick, be assured that this magick is safe and effective. It will work whether you believe in it or not. If you are an experienced occultist, you will discover many new secrets for manifesting money.Ã Â This exceptional work gives you all the knowledge, techniques, images and secret words that you need to unleash a flow of riches into your life.

Customer Reviews

AMAZING results!I bought your Magickal Riches book last Thursday July 16th, 2015. Prior to that I have been using the Magick Cash Book and words of Power (with excellent results) I also gifted these books to both of my kids one who is active duty military (daughter) and one who will be soon (son), both are together in Washington State. I sent my son the jobs book as well. He started the rituals in the jobs book and within 2 weeks he was hired by the Department of Defense under the Dept of Navy as a part time optical assistant with great pay and benefits! The VERY NEXT DAY they offered him a full time position and a raise! Friday of this past week, he bought his very first car!That’s not all. My daughter recently moved back to the states from a 4-year tour in Japan. Upon returning, the Navy screwed her back pay and BAH up to the point where her dad and I were having to pay all of her and my sons bills as the Navy doesn’t do ANYTHING fast... (3 months of this). She started the Cash book on a Tuesday and they approved her BAH the NEXT DAY!I began using the Magickal Riches book last Thursday for increased sales and to get people who owe to pay me. In less than 24 hours a client who owed paid out of the blue. I thought the money was lost forever as they disappeared. I am an adviser for an online psychic site (I’m empath- intuitive and specialize in love and relationship issues in a NON-psychic way). My call volume has increased 70% in just 3 days! I also own an online boutique and have made double the sales I normally make on a weekend! I just opened the boutique so low sales were to be expected... not anymore! I went from

struggling to make it all work to watching it just flow in. I have to pinch myself some days to make sure it isn't a dream.Thank you SO much for sharing these books and the gifts they contain. If you're wondering if the Magick really works. IT DOES! BELIEVE IT!!!

I've had 4 successes in less than a week with this book! So far I unexpectedly received cash, a check, an invitation to make a very easy $200, and the person who owes me over 1k called me tonight to say they're paying up (and we're not really on speaking terms). So about 1500 total and I didn't work or sell anything, this all just appeared in my mailbox. I did the one to have a person pay what they owe you, and I'm still working the master one since it needs to be done for 11 days.I own and have had great results with most of this author's books,especially the angel ones. I'm very grateful for his books. I'm still fairly inexperienced, I've worked with D.M. Kraig's book to start, tried some folk stuff, and Cobb's NAP, but D.Brand's books have by far brought me the greatest and fastest results and they are simple to do. You don't even need a candle, only the book. I feel so at ease when using them too. I fully recommend his books.

I've only had the book about a week but I'm having amazing results. Only four days into the master money ritual and I've had a result everyday, the biggest of which was being paid nearly $500 to feed someone's dogs for two weeks. I highly recommend this book.

Another great Book. I tried the increase your sales book, and it may be coincidental but... I had my best sales weekend since Christmas and that was starting 1 day after doing the ritual. It's also very easy to do. I don't like the idea of having to get out props and be all freaky diki with this stuff.I suggest everyone should invest a few bucks and try all of the Damon Brand books. These books have easily paid for themselves in just a few weeks after using them.

I have recently been introduced to Damon Brand books. I've not had the time to try anything really since I've gotten this book, as well as a few others of his but I am very impressed with what I have read so far. This makes perfect sense to me and I can see how they would work. Can't wait to try them out! Written in a way that its easy to understand, you don't need any extra supplies that are hard to get either!

The magick in this book Is great simple and result oriented... Increase sales I'd great...Attract secret source of money awesome... Get the darn book you won't regret it.

As with all GOM books, this is awesome. Gets you right into it with no fears or BS that other authors like to write. Just reads like you're talking to a great friend who doesn't try to impress you or convince you. Just says, do the magick and see for yourself. And it DOES work. The books are so freaking cheap too. You buy the physical copy and you get the ebook free!! Who else does that?

All of GOM books (have several) are excellent work. Love their products & their authors. Great writing style as well. It's refreshing, clear & concise reading. Great not to have to read dribbling on about inane nonsense & stupidity (for lack of a better thing to call it at moment of writing this) that is typical & almost standard practice of other occult etc; books read (so damned boring & pointless to read all that nonsense). I've never found this with ANY of the GOM authors & their books (have several, though not all of them yet lol) which is such a pleasure & enjoyment unto itself--for starters! GOM keep up the great work! Love your books & work! I'd give more than 5 starts if able but the review site on here only goes up to 5 stars. How about 5+++++ stars? Again love your work, writings & authors. Keep up the great work.
