Customer Reviews

good product with high quality. For a home product, for the price, this is quite good. I prefer a heavier product altogether, but I was surprised with the quality considering how inexpensive this product is. Coming from a professional background, I'd say this is a great piece to start with. good memory. my family need to change a new one , fine.

good memory. great. I got it in the mail and it came in a nice case which I enjoyed. I love the feel and how heavy it is. When I got it, I immediately washed it and tested it out and it cut through some peppers like butter. I really liked it. Very well. send it to my grandson,

the old one has been broke in my family , very good . good . This is a great bread product! It slices

through my homemade bread with bees. It is nice and big, as well as solidly weighted. fast and in time.
