Synopsis

One of a new series of authoritative guides teNeues is introducing this season, Cool Shops Paris takes the reader on a tour of the best stores and boutiques in one of the worlds most beautiful and romantic cities. Each shop included is distinguished by more than the products it sells although those by big name designers (Calvin Klein, Giorgio Armani, Chanel) are among those featured. The editors also highlight exemplary architecture and interior design with lavish colour photographs and emphasize as well the appeal of smaller, one-of-a-kind shops. Attractively designed to fit into any handbag, backpack, or briefcase, this book includes a site map for easy use and is sure to be a must-have for shopaholics everywhere!
