Nichole Robertson is the author of Paris in Color and the co-founder of the website Obvious State (formerly Little Brown Pen). She lives in New York and travels to Paris often.

Got for a Christmas gift and the other half loved it, helped me stay out of the doghouse for the holidays!

Not as expected but still nice.

These are my favorite notebooks. I have had other notebooks by this publishing company with different cover art that I picked up in a brick and mortar shop. They are lightweight, so easy to toss in my bag and go. Durable. Giftable. The Paris versions are really pretty and go with the Paris in Color hardcover book that I also have. My favorite is the red cover.
