Synopsis

Want more fascinating facts about poop? We've got a new book! Check out Everybody Poops 10 Million Pounds: Astounding Fecal Facts from a Day in the City from author Deuce Flanagan on today. ONCE UPON A TIME . . .. . . when you were little, you learned that everyone poops. But did you ever discover how much? Well, sit down on that cold porcelain throne and get ready to laugh your butt off at the most amazing, hilarious, need-to-go facts on the one thing everyone does--but nobody talks about. Filled to the rim with piles of fascinating dirty fun, this illustrated kids' book for grown-ups answers all the questions you never thought to ask: Ã¢â ¬Â¢How do astronauts poop in space? Ã¢â ¬Â¢Where does poop go after you flush? Ã¢â ¬Â¢Why can I see the corn but not the chicken? Ã¢â ¬Â¢Can I light my poop on fire? Ã¢â ¬Â¢Who invented the first flushing toilet? Ã¢â ¬Â¢What's the poop on Michael Jackson, Elvis and John Wayne?

Customer Reviews

Deuce Flanagan is an avid student of bathroom humor, he became increasingly interested in the facts about poop during a trip to Sicily, on which he had persistent and painful intestinal problems. He currently lives in Oakland, California.David R. Dudley is a freelance illustrator whose clients include Oxford University Press, the University of California at Berkeley, and the Darwin Awards. He lives in Berkeley, California with his wife and daughter.

Bought this as a Christmas gift for my father-in-law, who talks about his poop all the time. It is

hilarious as a coffee-table book - so funny that my inlaws' house guests took it to bed with them and they were up laughing half the night.

This is a great collection of facts, stories, and humorous tidbits about everyone's favorite topic. I purchased this for my wife as kind of a gag gift for Christmas, but we both ended up reading through it, and it's earned a permanent spot on our coffee table. I'd highly recommend

I bought it as a secret Santa gift to go along with Poopourri. Everyone went crazy over it the last time I did this. It was the first item stolen and taken out of the fun, very early on.

As a tradition my sisters and I often get "poo themed" gifts for each other for Christmas. This was one of the best ones I've gotten. We have already exhausted all the "What's Your Poo Telling You" items, and this one is even better than those. The colored "stool comparison chart" was a big laugh maker. Definitely recommend. Very informative as well.

I bought this as a gag gift for my husband's birthday, playing on his typical potty humor and the "Everybody Poops" Elmo stuff he'd bought for our daughter. I half expected to be reprimanded when he opened it (in front of his whole family) but he loved it! The book was cute, and surprisingly informational for something I imagine was written for fun. Between him and our preteen nephew, it's gotten a lot of mileage, so in my case it was worth the buy.

I just had to fill out the weirdest questionnaire to submit this review. LOL. "How would you describe the characters?". In one word? Crappy. This book is what you would expect it to be. Bought it as a silly gift for my brother.

I got this for my friends birthday and everyone has been talking about it since! It is really cute and quite the conversation starter!

Very funny....especially as a gift for those older adults who have "issues".
