Customer Reviews

I read this because it was reviewed by Felicia Day’s book club and I thought it might be funny. It was SUPER weird and gross. But it’s written well for what it is. Not my cup of tea - but if you’re into the idea of forced sex with a giant, then go for it.

Pretty hard to believe the way it was presented - more for explicit sex than the story line

Okay

Entertaining read. Animalistic eroticism, sometimes funny.

This book surprised me. It’s characters and world building is excellent and I really enjoyed this story. Meant for mature readers. Laya is the main character and through the imaginative writing by the author, I felt like I was right there in the story with Laya, sensing the smells and seeing the sights with her! A yummy, thigh quivering read!

Interesting but not finished upsetting horrible cliff hanger. But love the story line just needs more 2 it. Thank you

Short and smut. Very raw.

Fannie can write! The caveman sex is super hot and well written. If you’re into a dark and steamy read this one is for you.
