Customer Reviews

Louis Jacobs is a distinguished Rabbi at the New London Synagogue. His teaching career spans both sides of the Atlantic, as visiting Professor at Lancaster University and at Harvard. He is one of the general editors of The Littman Library of Jewish Civilization.

This book is great for anybody looking to learn more about Jewish ritual. Each chapter is a specific subject and so one can skip over chapters if they aren't too interested and can come back to it later. This is great for those who know nothing about Judaism. You'll come out feeling you know a lot!

I was studying an undergraduate module in Judaism and found it very helpful and accurate. I also bought the Book of Jewish Belief whih was also very good. It is perhaps a little old, but still relevant.

Good introductory book for jewish converts

Great book and great delivery.

I purchased this book at the suggestion of a Conservatively trained rabbi to assist a friend with conversion studies. I find the text and particularly the photos to be so antiquated and dated that they

do a disservice.

One of the greatest of all scholar- teachers of modern Jewish life here provides a fundamental guide to Jewish Practice.
