Synopsis

Salzburg Day by Day is the perfect pocket guide book for independent travellers providing a practical, colourful format with useful, clear maps and expertly designed tours. The guide highlights the must-see places in the city and offers knowledgeable opinion on where to stay, eat and shop.Our author tells you his favourite moments in the city, and guides you round the city's highlights from the Hohensalzburg Fortress to the base of the Red Bull Flying Bulls aerial display team. His tours cover Mozart's city, Sound of Music film locations, Art & Architecture, a gourmet tour, Christmas in the City and Salzburg with Kids.With his speciality being skiing, he also covers the best skiing areas, and introduces you to summer outdoor locations by bike, as well as the hillside areas of MÃƒÂ¶nchsberg, Kapuzinerberg and Untersberg. You'll also be given expert advice on where to shop, stay, dine, drink and enjoy the local culture and information on day trips to the historic salt mining area of Salzkammerqut and the German town of Berchtesgaden.Also includes detailed maps to accompany every tour as well as a fold-out regional map in plastic case.

Customer Reviews

At last, a travel guide that tells you how to see the best of everything—in the smartest, most time-efficient way. The best of Salzburg in one, two, or three days Thematic tours for every interest, schedule, and taste Hundreds of evocative photos Bulleted maps that show you how to go from place to place Hotels, restaurants, shopping, and nightlife for all budgets A tear-resistant foldout map—enclosed in a handy plastic wallet you can also use for tickets and souvenirs

Nick Dalton is a freelance travel writer based in London. He writes regularly in the Daily Telegraph and has written for The Times, The Independent and The Daily Express as well as countless magazines. He has covered mountain destinations around the world, from the Rockies to South Korea, and is a leading ski journalist who loves using his trips to the slopes as a way to explore their surroundings . . . Salzburg in particular. He has also written travel guides for Colorado, Canada, Tennessee and other destinations. He is the co-author of FrommerÃ¢â ¬â„¢s Wales with Your Family.

I purchased 4 guidebooks for Salzburg, and this was the most helpful and up to date. Detailed point-to-point itineraries for 1 day, 2 days, and 3 days in Salzburg as well as for specific interests such as Mozart. The shopping guide was most extensive, and the restaurant guide was also helpful. There were many capsule photographs throughout the book, and the bus and street maps were built into the front cover. Finally, a large fold-out map was included in a plastic pouch; it had a street index and specific maps for Old Town and other parts of town.

The compact size of this guide made it perfect for carrying along in our backpacks while we biked or walked between the sights in Salzburg (biking is the best way to see the city and surrounding sights). Both maps, the detailed one that lifted out of the guide book and the small map of the downtown area within the front cover, came in handy.The smaller content of this guidebook was enough to help me decide what we wanted to see over the three days of our visit, but not overwhelming with detail. Descriptions of accommodations, sights, transportation, shopping, weather - all of it was accurate. For people with limited time to plan, concise guidebooks such as this can be much friendlier to use than the larger guidebooks. We also purchased the larger Frommer’s guidebook of Austria because we were traveling throughout the country and book size doesn’t matter too much in the back seat of a car, but we never used the larger book for Salzburg. We definitely recommend both visiting Salzburg and this guidebook.

Was in Salzburg for 3 days and found this to be a totally reliable guide, with good info on places to go and eat and - equally important - how to get there and how to prioritize your time. Consequently, I had a fantatic time in Salzburg and had enough activities on my "to do" list that I could have easily spent a full week there.

Even though we had a lot of this info in other books, this book was great at getting the most out of

Salzburg in the short period of time that we were there. Great map included, small enough to carry around town.

Great Guide to Salzburg! Easy to follow and perfect to see the best of this cool city! I am a total fan of the day by day books! They are all superb guides.

This book is exactly what I was looking for a trip to Slazburg and surrouding area. Nice tips to travelers, including transportations, routes, main atractions and services like hotels, restaurants an car rentals.

Really handy. Quick and easy reference guide.

I am a big fan of the Frommer's day by day guides and the Salzburg one doesn't disappoint. The hotel section is way more robust than Rick Steves' one about Salzburg, and saved me $$. If you're headed to Salzburg and want more than fluff information, this guide book is an excellent choice.
