Synopsis

Quebec is one of the most visited cities in North America, for good reasonÃ¢â ¬â •it has a unique charm. A romantic city, it attracts lovers as well as families and tourists interested in history. In 1985 UNESCO named Quebec a World Heritage Site. It is the only city in either Canada or the United States to have preserved its original walls and fortifications. Although the city has been the scene of armed conflict, many historical buildings remain. For curious travellers, the seven walking tours in Exploring Old Quebec are a voyage of discovery through the rich history of an extraordinary city founded by Samuel de Champlain in 1608. This completely revised guide also includes four thematic itineraries, maps, and practical information.

Customer Reviews

Maude Bonenfant has a Ph.D. in semiology from the UniversitÃƒÂ© du QuÃƒÂ©bec ÃƒÂ MontrÃƒÂ©al. In her free time, she loves to travel and has visited many of the world's great cities. She has a soft spot for Quebec City, and has visited often.

Excellent book. Superior to the other tour book I bought. If you will be spending a lot of time in old Quebec this book is amazing. We spent a week and following many of these walking paths. It is VERY well written and clear on turns and where to look for interesting things. Highly recommend.

Excellent guide for walking tours of Old Quebec. Enjoyed all the suggestions and detailed information

This travel guide has made me extremely excited to explore Old Quebec. I can’t wait for my trip!

Very handy and current nice size to pack as well.
