## Customer Reviews

With an exact description where and how much the food item will cost is great. Next time I visit Hong Kong, will definitely visit some of the places described. Well done.

Mark did an incredible job detailing where to eat, where to stay and where to go to have fun and a good time traveling and eating. If you enjoy local food but always were a little lost in foreign cities - Marks eBook will help you find all you need in Hong Kong. The eBook is overall beautifully written and feels premium thanks to the stunning photography of the local food and attractions.$3 is a joke ÃƒÂ¢Ã â ¬Ã â œ would pay double at least.
