Synopsis

FBI Agents Otto and Gaspar pick up where Lee ChildÃ¢â ¬â„¢s Ã¢â ¬Å“The EnemyÃ¢â ¬Â• leaves off in the Hunt for Jack Reacher.Lee Child Gives Diane Capri Two Thumbs Up!"Make some coffee. You'll read all night." Lee Child, #1 New York Times Bestselling Author of Jack Reacher ThrillersWhen FBI Special Agents Kim Otto and Carlos Gaspar are sent to Fort Bird, North Carolina to find Jack Reacher, powerful enemies with their backs against the wall will stop at nothing to keep the secrets Reacher left behind. The Hunt for Jack Reacher series enthralls fans of John Grisham, Lee Child, and more:"Diane writes like the maestro of the jigsaw puzzle. Sit back in your favorite easy chair, pour a glass of crisp white wine, and enter her devilishly clever world." Ã¢â ¬â •David Hagberg, New York Times Bestselling Author of Kirk McGarvey Thrillers"Expertise shines on every page." Ã¢â ¬â •Margaret Maron, Edgar, Anthony, Agatha and Macavity Award Winning MWA Past President and MWA Grand Master 2013Readers Love the Hunt for Jack Reacher Series and Diane Capri:"I 'stumbled' on this title and was attracted to it as I am a Jack Reacher fan. Loved the story and the author's writing style. Couldn't wait for more so I purchased [Raw Justice] and want more Jennifer Lane Ã¢â ¬â • please?! Fatal Distraction is also on my Kindle to read list!" "I have been a Reacher fan for years and was excited when I heard of Diane Capri's take on 'Finding Reacher'. 'Don't Know Jack' is a good companion to Child's Reacher books and recaptures the flavor of the Reacher mystique. I am waiting anxiously for the next book in the series and the next and the next, and so on.""All Child fans should give it a try!"New York Times and USA Today Bestselling Author DIANE CAPRI does it again in another blockbuster Hunt for Jack Reacher Series Novel"Full of thrills and tension, but smart and human, too. Kim Otto is a great, great character Ã¢â ¬â • I love her." Lee Child, #1 World Wide Bestselling Author of Jack Reacher Thrillers

Customer Reviews

The reason for the 3 stars is loving the Jack Reacher books so much, I had hoped to see more of him in these books than the very, very occasional reference to a tall bulky man standing on the shadows of a doorway. Will probably not buy more of Diane Capri's Reacher books.

Ok book, short under 200 pages never comes to any conclusion or maybe it did but very convoluted. If you are bored out of your skull or stuck in an airport or elevator then yeah go ahead and read this. Other than those scenarios I would pass on this.

Gonna quit the series, held on as long as I could and made it through book 6. Capri drug it out this long for her FBI'ers, to start and figure out Reacher. A 5ft. agent and the other with a bum leg got boring, also authors talent of just killing off Reachers past associates at whim didn't work. When Col. Summers was killed I'd had enough. Going to save my money and wait for Child's next authentic Reacher book.

I am a fan of Jack Reacher novels by Lee Child, and got excited when I saw this title. However, if you are expecting to have Jack Reacher as a character in the book, you will be disappointed, as I was.

I have become a fan of Diane Capri. I have been a fan of Lee Childs and have read all the Jack Reacher novels. When I got my first "In Search Of Jack Reacher" book I wasn't sure it would like up to my expectations or Lee Child's endorsement but IT DID. I am now waiting for the next book in the

series from Diane Capri.What I find most enjoyable about this series is the fact that while I know the background story of Jack Reacher activities, the author still manages to keep me in suspense and surprises me with her own twists in her books plot. I also love the development of the characters in her book and she even adds to the Jack Reacher character development.

My favorite book in the Hunt for Jack Reacher series so far. I loved better getting to know FBI Agent Kim Otto. I found her logic and reasoning fascinating as she tries to gather information on Jack Reacher for her boss. I didn't find myself missing her partner Gaspar very much. I was sad as I came to the end of the book knowing that I will have to wait until the next book is published to be immersed in Otto and Gaspar's world again. If you love the Jack Reacher books, give this series a try. You won't be sorry.

I truly enjoyed this latest book in the Find Jack Reacher series. I have read them all as well as all of Lee Childs books and look forward to new issues with both authors. While Lee Child has more flexibility with his plots, there is a lot to be said for the theme based series by Diane Capri. You know the two main characters will provide a few chuckles and you are constantly rooting for them to actually amke some progress in their search. I very much applauded Otto's beginnings of rebellion in this novel. I'm sure, had it been me, it would have happened a couple of books ago. It also opens the door for interesting twists down the road. Waiting for the next one, fairly patiently

Who doesn't love Lee Child's anti-hero, Jack Reacher? So how then could you not love Diane Capri's "Hunt for Jack Reacher" series, and FBI agents Otto and Gaspar, tasked with finding a shadowy legend who is intent on not being found. I love the inside-out perspective I get from reading these books; it makes me want to go back and read the Reacher novels all over again, to double check the references between the two. I simply can't get enough about Jack. I'm so glad I found this series; can't wait to read the next one.
