Good magazine!

They were great. Would highly recommend

Save your money don’t purchase worst fantasy football magazine I’ve ever bought one star cuz zero not an option

Fast shipping... magazine is good

Always Great and valuable info. and a hit with the guys.

Pretty good magazine if your league is 0.5 PPR and 4 point passing tds. Cover of magazine reads "winning rankings for every scoring system". Unfortunately it covers only 1 scoring system. Also does not offer online updated rankings unless you pay additional fee. Magazine print appears to be mid June.
