Synopsis

Written in the proven SecretsÃ Â® question-and-answer format, Oral and Maxillofacial Surgery Secrets, 3rd Edition is an authoritative source for the effective and safe practice of oral and maxillofacial surgery (OMS) Ã¢â ¬â ¢ and the ideal preparation tool for clinical rotations, exams, and board certification in OMS. Thoroughly revised and updated with the most current clinical information, this new edition provides dental students, OMS residents, and clinicians with practical tips, answers, and secrets from OMS experts. Best of all, it fits in your lab coat pocket so you can consult it wherever you go!Over 2,300 questions and answers offer valuable pearls, tips, memory aids, and secrets from oral and maxillofacial surgery experts in a concise, easy-to-read format. Popular and trusted SecretsÃ Â® question-and-answer format helps you better understand the questions you are asked and provides you with perspective for the questions you ask yourself.Edited by two highly respected leaders in oral and maxillofacial surgery (OMS), with chapters written by internationally recognized experts in the field, making this an authoritative resource for the safe and effective practice of OMS.Convenient pocket size means you can consult this book wherever you goÃ Â and carry it in your lab coat.NEW!Ã Â 13 all-new chaptersÃ Â bring you the most current clinical information on recent advances in the science and practice of oral and maxillofacial surgery.NEW! Cosmetic Surgery section covers the evaluation of the aging face, forehead/belpharoplasty, facelift/neck, rhinoplasty, and non-invasive cosmetic procedures. NEW! Updated SecretsÃ Â® two-color design highlights questions, tables, boxes, and bulleted lists so you can find information more easily.

Customer Reviews

Personally, studying with the question and answer format is very productive. This is not going to provide a base of knowledge but is useful for the common questions that you will get in residency and a good review of details before tests.

This is not "the same old OMS Secrets". In the two previous versions, the answers to the questions were much more geared towards surgical rounds and would give 1 line answers, just as if you were on rounds. This book can be used as supplement for board preparation because the answers are complete paragraphs with elaboration and explanations. I am enjoying reading this version of Secrets and find that it is much more complete that the previous two versions. Nice job, Dr Abubaker et al.

Updated/ added chapters make this text worth purchasing if you have the old edition.

fast delievery made me happy~ :)

Good condition, nice book

Excellent concise book for OMFS residents!
