Synopsis

Working out of The Magic Factory, a 15,000- square-foot think tank in San Francisco, Ken Fulk specializes in interior design, special events, and architecture. Whether he is creating fantastic homes, throwing the opening party of a museum show, or planning large-scale events (like the famous wedding of FacebookÃ¢â ¬â„¢s Sean Parker in a redwood forest), FulkÃ¢â ¬â„¢s work is always remarkable and stylish and sometimes over the top. Featuring more than 200 color photos with accompanying narration by the designer, Mr. Ken FulkÃ¢â ¬â„¢s Magical World showcases the best of his luxurious environments over the past decade: gorgeous dwellings he has designed for notable clientele; his own three homes; stunning examples of his party and event designs; and even a private jet.
