Synopsis

Learn why cool people like Jennifer Aniston, Julia Roberts and Tom Brady all keep chickens as pets!How would you like to have an omelet made with fresh eggs every morning?Ã Â By keeping chickens in your backyard that dream can become reality. Raising backyard chickens is taking the world by storm. And rightfully so!Ã Â Ã Â These girls are really amazing. They require only the minimum in terms of food and care, yet they give back so much. Backyard chickens are so intelligent and all-round that it really is just a matter of time before one of them wakes up and decides to take over the world. So join the fun of raising backyard chickens NOW, before it is too late!Jokes aside, backyard farming is truly great. Not only do these free-range chickens produce a steady daily supply of fresh eggs, no, they also love to help you out with your leftovers and they are excellent pest deterrents!Ã Â One thing that few ever think of is how stress just evaporates in the presence of a healthy chicken flock. Sitting in your backyard and hearing the chickens talk to each other: it is so relaxing after a day at work! Caring for free chickens might just be the best way to recover from a burn-out. They have a soft clucking sound as they go about their business. It is quite soothing to the soul, and if you don’t watch out, it can put you right to sleep in that garden swing.With this book, you will learn everything you need to know to become the diy backyard homestead master of free range chicken gardens. Hmm, wait, that wouldnÃ¢â ¬â„¢t sound too cool on birthday parties. But imagine this: how would you like to open your wallet to hand out a business card that has Ã¢â ¬Ëœbackyard chicken farmerÃ¢â ¬â„¢ written on it? Now thatÃ¢â ¬â„¢s something!Ã Â Here Is A Preview Of What You Will Learn:The benefits of keeping chickens in your backyardHow to select the right chicken breedHow to build a chicken coop (or should you buy one?)What to feed your chickensHow to keep your girls safe from predatorsHow to prevent chicken diseases and keep your flock healthyHow to incubate chicken eggsDealing with city laws and hesitating neighbors (tip: give them free eggs!)Sound good? Customer Reviews

Very excellent little book for my 4 year old daughter! She really enjoyed the illistrations and the story line. Great for the little ones!

I have no idea why the first two reviews on this book are saying it’s a cartoon, or for children. I was hoping to see some pictures of the different kinds of chickens and coops, but there are no photos or illustrations. This is a short book (50 pages) yet packs an okay amount of introductory info for keeping chickens. I found it odd that at 44% completion of the Kindle book, the author asks the reader to stop and leave a review. It’s the first time I’ve seen that in the middle of a book and it made me wonder if the book was over. After that page, the book resumed about chickens.

My daughter really liked it plus she is learning not watching other cartoons.
