Customer Reviews

Don’t be fooled by the title- although it focuses on the dark side of every Wraith, this outstanding book contains tons of important information on all sorts of subjects- from exactly what your Eidolon IS, and when it comes into play, to roleplaying romance and love.Other important topics covered include exactly how Castigation affects your Shadow- and while your Shadow is by definition your adversary, the isn’t always your enemy. There is a lot more to Psyche/Shadow interaction than just "I’m the Good Guy, he’s the Bad Guy."Every Circle of Wraiths should have this one- you owe it to yourselves... and to your Shadows. :)
