This book is easy to read and broken down by small chapters which include some pictures. I bought this for my father in law's Christmas present because he likes telling me all about the history of the cape when I visit his beach house and he also enjoys reading. Overall, a great purchase in my

opinion.

A little sketchy hoped for more detail.

I bought it for my husband and he loved it. thanks for asking

Nicely written, great for a pre-travel read to find the hidden gems to visit.
