Synopsis

One of the least utilized Kindle features is the ability to lend and borrow books among family, friends, or even share a Kindle book with a perfect stranger. This is a one-time loan of up to 14 days that is entirely unrelated to Prime, the program that allows Kindle owners with Prime Membership to borrow one book per month from the Lending Library, a different subset of the eBook catalog.As an author and publisher, I used to worry about people sharing eBooks and never purchasing them, but I’ve come to appreciate that sharing an eBook one time is a great feature for Kindle and a good way for an author to find new readers. This eBook offers a complete step-by-step guide to both loaning and accepting the loan of a Kindle book, including how to return it early. The process may seem a bit involved, but after you do it once or twice, it will only take you a couple of seconds in a web browser to lend books.Lending is enabled for this eBook (and all of my Kindle eBooks) and I strongly recommend you lend your copy of this eBook to the friend or family member with whom you’re most likely to swap books. While you can loan books directly from some B&W Kindle eInk models using the built-in experimental browser, it’s extremely awkward, so I suggest using a PC, laptop or tablet unless you have a lot of time to kill.

tHIS BOOOK IS SHORT AND TO THE POINT. THERE IS NO EXTRA, CONFUSING, COMMENTARY AND WHEN YOU FINISH READING IT, LENDING BOOKS WILL BE A BREEZE. i HAVE HAD A KINDLE FOR A WHILE NOW, BUT i AM CURRENTLY READING A BOOK THAT i VERY MUCH WANT TO SHARE WITH A FRIEND. wHEN i WENT TO TO FIND OUT HOW TO DO THIS, THEY OFFFERED ME A LIST OF BOOKS AND THIS WAS THE TOP ONE. i RECOMMEND THIS BOOK TO ANYONE WHO WANTS A QUICK AND EASY ANSWER TO THEIR QUESTION. i WILL BE LOOKING AT THE OTHER BOOKS MENTIONED HERE TOO.

Far too user unfriendly. My Mother would never understand how to use this feature. Far too restrictive and complicated. The step-by-step explanation is good -- the feature isn't!

This was supposed to be free with Kindle unlimited. I looked at the book and decided I didn't want it. Deleted it. Then saw the billing email. Now I can't 'return for refund.' Grr.

I wish would read this and make the process simpler!Working with the app developers would help and even listening.

Did not think I was ordering a book. I just wanted the questioned answered, which it did

I was impressed by the way the book was so simple to read and understand. Step by step. I would recommend it to any interested in loaning book from their library to a friend or family member.

As advertised
