This book will be very helpful to me as I travel to Tanzania as a medical missionary in June. It covers many of the diseases I treated as a physician last year when I was there. It is well laid out and captioned so it is easy to find info.

great, and very happy. Good product and good service. it is recommend. fast . my family need it ,

This book will come in very handy in Ghana where we are starting a medical village ministry and a child care facility for orphaned children. The language is very understandable, the illustrations are effective, and the format is easy to use. The information is complete and thourough in the coverage of various tropical diseases and parasitesand will become a wonderful reference and tool in our efforts to improve the quality of health and life for the medically underserved.
