Customer Reviews

This is my third year of David Olenick’s calendars and it’s a huge hit with me and my coworkers, who love to see what a new month will say. I’ve flipped through this one and it’s just as funny as my last two! Great work and thanks for providing us with silly puns and graphics to make us laugh!

This is a cute calendar but I thought it was full of puns. They’re just cute little drawings with a relative saying on it.

This year, 2017, I wanted a calendar with humor. This one has it each month. The major Christian, Jewish, and Muslim holidays are shown, as well as government holidays for US, Canada, Australia, New Zealand, and the British Isles.

I bought this for a gift and it cute and funny. My daughter loved it!

Not as amazing as last year’s, but still really cute.

Cute, but not as cute as the previous year.

this was a christmas gift i got for my sister. she thinks it’s hysterical and loves it.

Funny
