## Customer Reviews

I'm reading these books aloud to my 6 year old son at bedtime. I bought them to encourage reading instead of playing minecraft (which he also likes to do). He's not totally reading on his own yet, but

he does follow along and can figure out some of the words. The book is written like a diary with daily entries, so we can read a couple of days or a whole week, depending on how much time we have. He loves the stories and always asks for more. My 8 year old daughter even listens in sometimes. The writing is nothing spectacular; it's definitely written like a kid would write (and not a particularly witty kid). And the typesetting/production on the book are not too impressive. The few included photos are black and white and hard to see. But it's affordable and my kids like the gross-zombie-booger-body part-type-stuff, so it's a hit. We are on Book 3 now; I've already purchased 4 and 5 as well. We'll read through them together and maybe when my son is older he'll read them on his own. Bonus: I can brush up on minecraft terminology, which earns me some bonus Mom points.

My 6 year old can't get enough of these books. He reads and re-reads them. He loves Minecraft and this was the only way I figured out to GRT him to put down the game controller and to read. He is now on his 7th Minecraft diary of a Zombie book. He loves them. I read these with him as well at bedtime and I admit they are cleaver and funny even for an adult. Well written with a good story.

I have purchased the first 4 books of this series and my son loves them. He is 9! They are just the right reading level and they are about minecraft, something he really enjoys. It is one of the few times I do not have to make him read and he enjoys them. He often comes to read me certain sections he finds funny. The only con, they are kind of short. But the price is right!

Really great for my 8 year old!! My sons summer home work was to read 1,000 minutes - he has not put up one fight about reading since we bought these !! He is super excited about them! I couldn't tell you if the writing is good or not but for a video gaming 8 year old boy he is loving it and laughing out loud ! We are getting the rest that's for sure ! Thank you thank you Zack Zombie !

My name is Aidan, and I am 7 years old. I think this is one of my favorite kinds of books. I like it a lot at the end when zombie and Steve switch bodies. There is a lot more things I like about this book.

I liked the book because it was a good idea to write it and I thought the book would have to be a 5 star
book.ÃƒÂ Ã Å¸Ã ËœÃ Æ'ÃƒÂ Ã Å¸Ã ËœÃ â ÃƒÂ Ã Å¸Ã ËœÃ Æ'ÃƒÂ Ã Å¸Ã ËœÃ â ÃƒÂ Ã Å¸Ã ËœÃ Æ'

My seven year old understood the book more then me, but I don’t play Minecraft. He and i read it in two days. Loved the variety. There’s humor in it. Also moments s child can relate to the zombie in real life. Sounds silly but true. If you don’t play or watch Minecraft you won’t get the jokes.

thin book but it is what my nephew wanted for his birthday.
