From your own shoelace, to the swing put up in your back garden. There are an essential part of life and yet one that many people do not fully understand.Gaining a good understanding of knots is particularly important when you are dealing with the boating environment. The range of sailboat knots is huge. You may need a slip knot, a bowline or even a reef knot. Some knots are simply known as hitches and can come apart easily when not under load. Others are extremely difficult to undo.This book looks at some of the most important knots you need to know if you are heading onto the water. It will teach you how to create these knots and when a knot should be chosen.This book covers the following: An introduction to the knot and why you need to choose the right one. You will see why it is so important to know the right knot for any occasion. 10 Basic but important sailboat knots; why they are good, what they are commonly used for and, most importantly, how to make the knot. Another 10 knots which can be essential in a lifesaving situation. These knots can be created easily by following the instructions listed within the guide. An additional five sailboat knots which are useful to know as this will help to ensure you have the right knot for every occasion.Download your E book "Essential Knots: Top 25 Sailbot Knots, Outdoor Knots And Indoor Knots" by scrolling up and clicking "Buy Now with 1-Click" button!
