Synopsis

Shortlisted for theÃ Â 2017Ã Â Kobo Emerging Writer Prize, Nonfiction CategoryTim Bosma was a happy young father with a promising future when he listed his pickup truck for sale online, went for a test drive with two strangers, and never returned. The story of the Hamilton manÃ¢â ¬â„¢s strange disappearance in May 2013 captured headlines across the country and took over social media, resonating with everyone who had ever taken a test drive or bought and sold goods online.Ã Â When Dellen Millard and Mark Smich were eventually arrested and charged with BosmaÃ¢â ¬â„¢s murder, the mystery only deepened. Millard was the wealthy heir to an aviation business. Smich was his neÃ¢â ¬â„¢er-do-well best friend from a middle-class family. There was no obvious reason why the pair had made it their deadly mission to steal a truck, murder its owner, and incinerate the body. Tim Bosma was their randomly chosen Ã¢â ¬Å“thrill killÃ¢â ¬Â• target. Veteran journalist and private investigator Ann Brocklehurst had a front-row seat at MillardÃ¢â ¬â„¢s and SmichÃ¢â ¬â„¢s 2016 trial, where many of the questions about their shocking crime were finally answered. Others still linger, waiting to be further explained at two more murder trials set for 2017. Both Millard and Smich have been charged with the first-degree murder of Laura Babcock, who disappeared in summer 2012. And Millard alone faces murder charges in the death of his father, which previously has been ruled a suicide. Compelling and suspenseful,Ã Â Dark AmbitionÃ Â chronicles an unfathomable crime and its chilling perpetrators.

Customer Reviews

Well written and easy to follow.

Ann Brocklehurst has written about a horrific crime that took place in our community. My husband and I both read the book and discovered many new things about the case. Ann has devoted her time at the trials and has put together a must read book. Bravo and thank you!! We hope you will continue to write about the new cases due in Court.

Excellent and well written.
