Synopsis

Valley of the Kings, Egypt, 1922: Archeologist Howard Carter and his employer Lord Carnarvon discover the tomb of the boy pharaoh Tutankhamen. The treasures found there attract feverish excitement all around the world. But when Lord Carnarvon dies suddenly, there are rumors that the tomb is cursed! Is it true, or is there a logical explanation for everything?

Age Range: 8 - 11 years

Grade Level: 3 - 6

Customer Reviews

I got this in conjunction with a trip to see the recent King Tut exhibit and it's been in heavy rotation ever since (My kids, probably like other kids, enjoy rereading favorites.) It's short but chock full of interesting details about the discovery of King Tut's tomb. I really enjoyed it myself and think it was well done. Reading level is likely 7-9 years, but the younger kids will enjoy being read to as well. It's not scary- really more informative and leads to an understanding that there is no evidence to support the notion of a curse on the tomb.

Someday I'll have the entires set

fun informational book

This is a fun fact filled book about King Tut and his mysterious curse, which isn't so mysterious, that surrounded the people who uncovered his tomb. This book will delight elementary children, it has lots of bright colorful illustrations. The font is big and easy to read too. The story follows the story of the young boy and then jumps to when his tomb is discovered. It also shows how the Egyptians buried their leaders and how King Tut's curse appeared after his tomb was opened.This is a fun story kids will enjoy about King Tut and how rumors and innuendos can create a mystique around an event.
