Synopsis

No mystery is too great for super-sleuth Cam Jansen and her amazing photographic memory! Mysteries follow super-sleuth Cam Jansen everywhere she goes...even to school. It’s the first day of fifth grade, and Cam and Eric have just met their new teacher, Ms. Benson. The school day has barely begun when two policemen come and arrest Ms. Benson! She insists there must be a mistake. Now it’s up to Cam to solve this important mystery!Ã Â The Cam Jansen books are perfect for young readers who are making the transition to chapter books, and Cam is a spunky young heroine whom readers have loved for over two decades.

This is a very good book. I purchased it for my son who likes mystery books. Very happy with it.

My daughter loves these books!

The book is not the best, but I'm glad I read it! Maybe you should give it a try! Gracie O'Keefe

I use this book to start the year in my classroom. It gets the kids back reading after the summer break.

I loved this book because it has mysterys and I love mysterys. Mysterys are really fun to solve but sometimes it's really hard to solve.

My son hates to read, but he really enjoyed this book. We read more of these books in the furture.

Great early reader for my daughter. Lots of online support for comprehension questions too!

Got this for our granddaughter and she LOVES it!
