Ã¢â ¬Å“While Mr. FishÃ¢â ¬â„¢s existing fans will best appreciate this story, DiesenÃ¢â ¬â„¢s lively rhymes and HannahÃ¢â ¬â„¢s wittily detailed art make this an entertaining outing for newcomers, too.Ã¢â ¬Â• Ã¢â ¬â ¢Publishers Weekly

As always, the illustrations are fun and well done. However, the story is short and lackluster. Our 2 year old was bored half way through it. There's only a few words on each page and there's no 'story line'. Oh well, we will read it a few times and give it away. I'll definitely be more cautious of my next Pout Pout Fish purchase.

My family loves the series of Pout Pout Fish books for its creative rhymes and detailed and imaginative storytelling. However this particular book is quite scant in the storytelling department. Too bad since I love Halloween! I was hoping for more, but it must be targeted for the very young age group as it's very short and more simplistic. That's a shame though, because even from a young age my babies loved the rhythm and unique sounds of the verses in the original Pout Pout Fish book. I don't regret the purchase however since it's also nice to have the shorter books to read every now and then and is a good introduction to the idea of trick or treating.

If you loved the original Pout Pout Fish, then stay away for this one. I was hoping for a fun, flowy, rhyming Halloween story but instead received a book of dull one liners. I'm really disappointed. I won't bother looking into the other books in the Pout Pout series anymore.

Only a few pages long and if you are familiar with the pout pout fish books, the wording is all very repetitive. While we love most of the other Pout Pout fish books, this one is to basic and repetitive from the others to buy. Not worth it

Deborah Diesen is a wonderful Children's Author!

Don't purchase this book if you are expecting the writing quality of the original Pout Pout Fish. The rhyming in the original book and the quality of the vocabulary is why I purchased this book for my grandchildren. I was so disappointed that I actually wanted to return the book but the return charges equaled the cost of the book.

These are some of our favorite books, and I love the addition for Halloween!

I love the pout pout books. But this is nothing like the other books. It's 6 pages like the one in the photo. Simply showing 6 characters in their costumes trick or treating. If the book was around $3, I

probably would have given 4 stars. But it’s definitely over priced as it currently is.
