Gospel Light publishes a wide range of fun and creative kids resources in a multitude of exciting formats. At Gospel Light, we remember what it's like to see the world through a child's eyes. We believe the best way to reach kids for Jesus is by teaching about God and His Word through hands-on activities that engage a child's intense curiosity, openness to learning new things and desire to love and be loved by Jesus. ThatÃ¢â ¬â„¢s why we offer a variety of Bible curricula for every age child, Vacation Bible School programs, music and media that reinforce Scripture learning and Bible-based studies—all filled with engaging, hands-on activities that keep kids involved in Bible learning designed just for them! For over 80 years, weÃ¢â ¬â„¢ve been equipping leaders and teachers with the best tools for drawing kids to Jesus and leading them in a lifelong relationship with Him. Our ministry resources are designed to engage the minds and hearts of children, to teach GodÃ¢â ¬â„¢s Word and to fulfill the same mission weÃ¢â ¬â„¢ve had since 1933: "To know

Christ and to make Him known.Ã¢â ¬Â•

i think i just assumed there'd be more stories about the events leading up to and Jesus's sacrifice for our sins on the cross. there is one picture of him on the cross, and he's way off in the distance like its not the main focus. i think they make a separate coloring book all about Jesus and im sure they have more stories about the cross in there (i hope!) but if you are looking for that, its not really in this book. otherwise the quality of the book and drawings are nice!

Love this coloring book. Coloring pages for most stories carried in children's curriculum.It makes for great master sheets for class activities.

Perfect way to share the Bible with young children. I would read it first and let the child choose the pages to color.

Even though the condition was stated as good, it looked new to me. I am never disappointed when I order from any Goodwill. I also received this item promptly. This item is great if you teach Sunday School, Children's Church, or a wed night children's class. The bible story is printed on the back of each picture. Also the pictures are perforated if you want to tear them out, put them in document protectors and put in a notebook.

This is a great coloring book with which to discuss stories from the Bible with children. It has good drawings that children will enjoy coloring.

This is the best bible book I have found for a short and easy lesson for Pre-K. Each lesson is around two paragraphs and the students like it! Excellent for anyone needing something quick and easy to follow!

Awesome!!

This has been an easy go-to daily Bible lesson for my hands-on kids that love to color. The story from scripture on the back is written in a way that is truth yet in language children understand. The time they spend coloring allows for reflection and for the story to set in. The publisher gives permission for you to copy pages for personal use, so I copy the ones my really little ones want to

also color.
