Synopsis

Most of my family memories revolve around food, especially family holidays. Everyone knows how important food and wine are in Portuguese culture. In My Portuguese American Kitchen, you'll find classic Portuguese dishes. I have also embraced many American favorites, with a passion.In My Portuguese American Kitchen, I share traditional recipes and some Portuguese inflected recipes. Recipes I made for family and friends, recipes with a Portuguese accent. I also love the lighter bites, perfect with a glass of wine: salt cod puffs, or shrimp cakes. And, I didn't forget the sweets. Moist and delicious coconut cake and the traditional Portuguese rice pudding.My Portuguese American Kitchen has the food that I love and that you and your family will love too. It's a cook book that home cooks will reach for again and again.My Portuguese American Kitchen includes my popular recipe, Stuffed Clams (Quahog Stuffie). Many have asked for this recipe and it's the first time in print. This book is illustrated with color photographs throughout.

Customer Reviews

The recipes are wonderfully written and easy to follow, and Kevin shares history on some of the

recipes. When I received my copy, I read it from cover to cover as did my mother-in-law. We have already tried a few and they are amazing.All of my family and I recommend this awesome cookbook.

Returning this as it wasn't what I expected. Looked like a small dollar store cookbook. Don't know if the recipes are good or not as I never used it.

The recipes are easy to follow, and the dishes are delicious! I love the history of some of them. My husband and I were so happy with the book, we ordered extra copies as gifts!

I've used quite a few cookbooks not just Portuguese ones. I must say this is the easiest, most delicious and most creative one yet. Highly recommended!

This book is awesome. Tried the shrimp cakes and my husband loved it.

Great recipes! Very well written. Nice Holiday gift for friends.

Love it very easy recipes
