Synopsis

People today are rediscovering homeopathy, yet few understand this individualized approach to health and disease. Dr. Dooley brings over 25 years of training and experience in a wide range of health sciences to this novel introduction to homeopathyÃ¢â ¬â •what it is, how it differs, when to use it, what to expect, how to get results.

Customer Reviews

Simple book to understand for those new to homeopathy. Well written and easy to read but lacks depth (which it’s perfectly ok if primary interest is healing)

Nice summary in understandable terms. I really like the examples given and metaphors used.

It is clear that the author has a thorough understanding of homeopathy. He has explained them in a manner that is easy to read and logical.
