Synopsis

2013 Reprint of 1932 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Color reproduction of Frontispiece. George Washington Carey (1845-1924) was an American physician known for a number of 1910s 'Chemistry of Life' publications, a subject which he referred to as biochemistry, particularly his 1919 "The Chemistry of Human Life". Carey combined a mixture of religion, astrology, physiology, anatomy, and chemistry, themed particularly with a mineral-based theory of human disease, to develop his theories. Carey is popular among the new-age and homeopathic circles. In the context of a person viewed as a "human molecule", Carey was the first to state that a person's body is a "chemical formula in operation." This title is divided into two parts. Part 1 is entitled the "Relation of the Mineral Salts of the Body to the Signs of the Zodiac", while Part 2 is an "Esoteric Analysis and Synthesis of the Zodiacal Signs and their Physiochemical Allocations". With the renewed interest in homeopathy, increased study of astrology and the entrance of the Aquarian Age, this book has gained more importance. It is an attempt to answer all the questions regarding the cell salts. Part 1 is a brief and concise outline of the 12 signs of the zodiac, their symbolism and the salts to be used to overcome any disease. Part 2 enlarges on Part 1 by discussing the physiochemical analysis, symbolism and actual use of each mineral salt.

Customer Reviews

George W. Carey was Professor of Government, Georgetown University. --This text refers to the Hardcover edition.

Thanks very much to for carrying this wonderful book. I would highly recommend to anyone interested in another view of the scriptures and myths of old in relation to the human person. The information presented is interesting and is fun to share with family and friends since it is astrological in theme. The author cover each zodiac in detail.

This is amazing information about your health and something everyone should read. The AMA would be out of business quickly..

This is in truth what the Doctor ordered and sadly most don't even know this book exist. Buy the book, learn how your body really worksLearn the truth about what, and whom we are.Great BOOK..

A wonderful book! Very easy to read and easy to follow. It is amazing to see long term stubborn mystery ailments disappear magically with just one or 2 doses of cell salts. I highly recommend the book.

This was recommended by others whose judgements I trust. This is esoteric material by a gifted writer who, along with others, was writing in a concentrated time period. It was sort of a modest axial age where bodies of thought were turning and revealing content on a deep level. This volume just makes sense.

If you are seeking truth about life, birth, death, reincarnation this book is a must-read. If you are not 100% happy with the beliefs that you have been holding for years then this is the book to read. It will show you the steps to obtain enlightnment.

Loads of metaphysical understanding of the body!

Great book for understanding and applying the Zodiac to your daily life. A must have to correct health problems that are affecting you through a lack of the much needed cell salts.
